

Barony of Nordskogen Nov. Business Meeting

11/17/10

Votes of Confidence

Archery Captain Lord Crispin

Quarter Master Lady Constanza

Both votes approved.

Saturday. There is a brunch and a room set aside for fighting widows on Sunday. Garb optional on Sunday.

The Sunday activities will be advertised.

We have Don Niccolo for rapier marshal and Viscount Niklos for armored.

Event Updates

Samia-SUN-we made money and the site loved us.

12th Night- Mistress Casandra

It will happen. There is a full staff currently except for 2 positions: dance coordinator and class coordinator. Site is anxious to have us there and some of the site people may check out what is going on. Sees potential for this site in the future. One of our members is a member of this church (Tomah). There will be a raffle and a jumble sale. There is a room for children/youth, will need a youth coordinator with a background check. Many fun activities and contests are planned. Looking at it being a nostalgic 12th night. Marshaled activities are scheduled on Sunday. There are rapier and armored tourneys on Sunday. Saturday is peaceful, no marshaled activities on

A Sworded Affair THL Ivetta

GS troop wanted to use the kitchen for part of the day. Price dropped from \$320 to \$80. We already put in a \$100 deposit so we will get a refund or consider it a donation.

Zadok -Request for Funds for new Armored Loaner Gear

Working on getting an itemized list of what is needed. He will have the list at the next business meeting. Requesting \$250 for 2 new kits and some rattan. This will be for repairs and replacements.

Moved to make it \$300.

Exchequer-we have enough in the general fund. We will use the dedicated fund and then it will come from the general fund.

Approved

Rapier fighting Space

Possibly moving rapier to a different night and location. Site does not work for rapier. We can only do 2 matches and bump into each other a lot.

Samia concern is that we are going from one extreme to another-from extreme north to extreme south

Nordleigh is looking for a site also. Site surveys-was it asked if it is important for rapier to be on the same night as social meetings? Zadok suggested using Anoka-Ramsey Community College in Coon Rapids on Friday. Armored already using it and there may be enough space for rapier.

Social aspect is good at Oakeshot but doesn't work for rapier. We have 4 more nights here. Would we consider moving all meetings to a different location? The move was intended to give rapier a place for practice. We are using the space for more than social meetings.

Katriona-proposed staying here through Feb and consider the move again then. Marwen-will need to consider our contract/agreement w/ Oakeshott.

Timeframe

Rosanore-Issue of deciding if we want to meet weekly is a complicated discussion. We should think about what we want and meet again. We can't all go to fighting in the wintertime.

We will continue the discussion on the list. Samia-surveys are over 2 years old. Would it be helpful to do another survey?

Katriona-our real limitation is space not the night we meet on.

Archery Toys for Tots

Bwana likes the idea and thinks it will be fun. Dec 12th. Non-SCA people are welcome. Planning a timed castle wall shoot. One toy to enter. There will be prizes. Normal range fees apply. The SCA has permission from the Marines to use the Toys for Tots logo.

WW Disbursement Funds

We need permission from both Baronies to disperse the funds between the Baronies. Total for disbursement around \$3000, around \$1500 for each Barony and \$10,000 will go to the event for next year. Passed.

Know World Handbooks

Asked Barony to buy a handbook from Chatelaine's funds. There is a price cut if you order 10-15. Asked if others in the Barony would be interested.

Blackmere

Fighters retreat 12-18 9 to 4:30 using a former school so there will likely be room for rapier. More details to come. Working

on getting marshals for all activities. \$5 members, \$10 non-members. One block from North Star train station in Anoka.

Officer reports

Get in award recs for 12th night. Still gathering stuff for Baronial changeover for CAM at Boar's Head. Talk to Idonea. Need a coordinator for TRH gift baskets.
